OTTO RUPPIUS, Professor of blusic, has made Louisville his permanent home, intending to give INSTRUCTIONS IN ALL BRANCH-LES OF MUSIC.

Having been connected with the Royal Singing Academy and the Royal Opera at Berlin, in which city he received his musical education, Prof. Otte Ruppius has devoted a main part of his time to instructions in Solo Singing, and his former intimate acquaintance with some of the most celebrated artists as well as his practical experience during many years has enabled him to produce the most lattering results. References in this respect can be given to full satisfaction.

Prof. Otto Ruppius tounds his instructions on nature, accommodated to the peculiarity of each of his pupilished advances as the sell evolution of the voice, aided by the instructions, directs, and therefore he pursues a different method and exercise with each individual—in the end he cnables the sell evolution of the voice, aided by instructions, directs, and therefore he pursues a different method and exercise with each individual—in the end he cnables the sell evolution of the voice, aided by instructions, directs, and therefore he pursues a different method and exercise with each individual—in the end he cnables the sell evolution of the pursues a different method and exercise with each individual—in the end he cnables the sell evolution of the singular pursues and the reading music without the aid of any instrument, as well as in finding the correct taste and expression has been always the principal and it is instructions. Ladies, who was to improve in this beautiful art, parents of young lades of takent, ear most respectfully requested to give him an opportunity of proving his capacities and the approach and of the superiority of his method.

Prof. Otto Ruppius gives also instruction on the Piano (including theory of harmony and accompaniment) and on the Gui'ar, on which instrumed, whe has successfully taught for a number of years. Also on the Violin and the Violoncello.

which is an infallingle remedy for premature balliness. Those who have lost their hair, or those who are gradually becoming bald, should try this delightful preparation, the effects of which are almost mirsculous. It will effectually clean the scalp, carry life and vigor to the roots, and stop the falling off of the hair, making it, in a short time, thick long, and of the most heaviful and the roots have the scale. ort time, thick, long, and of the most beautiful and glossy appearance.

Remember, "Jules Hanel's Eau Lustrale Hair Restorative" is a scientific preparation, which is warranted to perform all it professes to do.

Be cautious that you get the genuine article, and observe that his name is attached, as trashy initations of this preparation are soid.

J. M. Nebutt, of Beth;
H. C. Harris, of Kenton.

"NO NORTH, NO SOUTH, NO EAST, NO WEST TRUE DEVOTION TO THE COMMON EROTHER- cess. Lose no time in distributing information HOOD."-FRANKLIN PIERCE.

Gen. Mostt on Foreigners.

TUESDAY, : : : JULY 27, 1852.

New Hampshire for Roorbacks, came upon the from every part of this Commonwealth. Whigs abolition reports of a speech made by Pierce, are boasting about democrats going over to Scott published in two abolition papers, the Manches- This is all for effect, and it will have some efter Democrat and the Independent Democrat. feet abroad, absurd as it is known to be at home. These reports have been circulated all over the We hope our friends will go to work and see South, and cackled over by all the Scottite or- that all's ready. Let no fuss and feathers win doubt at all of the truth of these reports-au- pie, and they know it. Let a sleepless vigithentic as the gospels and the psalms. Here lance render their success impossible. they are in democratic papers; observe the name Democrat, and observe, also, these papers now support Pierce; and so their reports of what he that the editor of the Journal would abandon said must be the truest things extant.

The Republic at Washington, the special orout of which these reports were taken as first. stitution proscribes Roman Catholics from office. rate democratic organs now supporting Pierce

Pierce. These superadded assertions were ve- vine authority of the Old and New Testaments, ry needful. If these reports originated with and all who held religious opinions incompati-

fal havoc with their refuse of lies. The reports tell us the precise difference in principle, beare simply falsehoods, made by abolitionists, and tween proscribing Jews and unbelievers, and published by violent abolition papers-violently, prescribing Catholics? opposed to Pierce then, opposed to him now; known to be false at the time, and known to be

their readers with aboution planders against a denta. It is only a specimen of scores in our law and all. They are making themselves the Commonwealth. ellies of that violent faction who have been and A correspondent from Brownsville, Tennes are now warring against the constitution and see, says: "Scott stock is considerably below the Union. They are using abolition artillery par in this State. From present indications, poses. This effectual and annihilating fire in How it's MADE out .- Botts made a speech

The editor of the Louisville Journal is evidently much put to it. He feels that his readers name three seceders from the democratic ranka position, but tries to appear comfortable not- name from the whig ranks .- Lou. Jour. withatanding. He never doubted that partisans That's well said; "could name"-if you could could be found who would pronounce the re- only find them. Just show as much caution in port which he published incorrect. He does talking about things further off and it will do. not tell his readers that one who pronounces it incorrect was a speaker himself on the occa- Will the Whigs go to Lundy's Lane?-It's himself, and that whilst he has no doubt that cross the line between us and Canada in the partisans will pronounce reports incorrect, he war of 1812, and when the whigs get to it now has no doubt that these abolition partisan re- they'll dodge, ports are correct. He has great confidence in them when made at the time; for newspaper editors want to keep the confidence of the pub. terian, a religious paper of high character, pub lic, &c. To be sure they ought to wish for the lishes a letter, said to be from the pen of Dr. confidence of the public; but they have other Junkin, from which we ascertain these facts: wishes to gratify. The desire to have the con- "Gen. Scott is a Protestant Episcopalian, fidence of the public did not prevent a certain editor of our acquaintance, who is an average byterian, though not a communicant specimen of whig editors, asserting positively church; and as his lady is a member of the Bapthat the Manchester Democrat and the Inde-pendent Democrat were democratic papers, and least, with that denomination. Gen. Pierce is pendent Democrat were democratic papers, and now anpporting Pierce, when the fact is they member of the church. Mr. King is a Protesand Episcopalian in his preferences."

The truth is that no one of these candidatea democratic party than the Louisville Journal does. He asserted positively as true, what he That's our opinion of them in general. Any dispute about their religion, is a dispute upon a dispute about their religion, is a dispute upon a content of the can get it. are now both opposing Pierce with a rattle- ant Episcopalian in his preferences." guessing at it. The assertion too was material, very amell aubject. and necessary to sustain a partisan purpose:

This desire for public confidence did not de gery, when it was only a quotation from the old

of slavery extension, save by the defeat of Pierce and King, and they can only be defeated constitution instead of the new one, and when by the election of Gen. Scott, whose life is a the new one only changes a word, relieving guarantee that his influence will not be on the but one class from the religious test, but still retaining it as to others.

This desire to retain the public confidence did not prevent this same editor from pronouncing General Scott'a native letter a forgery upon somebody's authority, and not retracting his statement when the letter was proved to be

correspondents and reporters have often no such restraints. The editor of the Journal contends that anti-alavery editors are sometimes scrupulous about the truth, and instances the editors dwelltogether in ucity. of the N. Y. Evening Post and Tribune. These OF Our Carriers are accustomed to supply men nature in both of them. The one asserted isled in the democratic ranks during last summer, the Bally Democrat at 1th cents per week, on the authority of some one's report that the in regard to the compromise measures, all is scribers by the year can avail themselves of that the convention was all in confusion when rallying in support of Pierce and King. Neither

> it appeared, &c. Now these editors of the New Hampshire likely to remain so.

But the editor of the Journal does not date in 1799. to publish the contradiction in full to the slanders he has promulgated upon Pierce. If he wants to keep the public confidence, be had better do it. His comments may indeed look awawaid afterward, but for the sake of the character of editors be should do it-

Organize! Organize! Organize! Remember, democrats, victory is not for the lle in a no. tical canvass. All advantages may be lost by inaction: and nothing is a surer pre UNDER THE CONSTITUTION; BUT A SACRED cursor of defeat than over confidence of sucand presenting the truth to the people. Let the true character of the canvass be understood. The whigs intend to get through by humbug, "In: hasti e between extending the period of residence b fore neturalization and a TOTAL REPEAL OF ALL ACIS UP CONSERS ON THE SUBJECT. My mind succeed, it must be by the apathy of the demo-suclines TO THE LATTER."—Winfield Scatt. cratic party. They intend to carry this State as usual; but let every democratic vote be polled, and the twelve votes of Kentucky will be Climbing Down-"hutfling Out-Distressing given to Pierce and King. Some of our electors, we are glad to learn, are busy, and we could Some political jackall, nosing about through not desire more cheering accounts than we have gene-Pierce "abhors" slavery, "loathes" the this race. The whize expect to win by a coup fugitive slave law, in staring capitals. No d' etat, for they have not a majority of the peo- toast was drank, among others.

> III It was suggested several times yesterday the whig ticket, on account of Graham's living in a State which has a religious test in her con stitution .- Democrat.

and hollows. They endorsed the two papers papers, and the object of which was to make integral parts, whole numbers in our flourishment of which there reports were taken as first. Lou. Journal.

If the article be a forgery, will the editor of These last declarations were superadded to the Journal get the North Carolina constitution the original story by each whig editor upon his and publish it as it was and as it is, and let his fice clique, and after perambulating the whole own responsibility. Our neighbor of the Jour- readers see if it does not contain a religious test? city could not find a cab load of Germans who nal was very positive. He asserted boldly, and The charge of forgery is a slander, and the ediwithout fear of contradiction before his eyes, tor cught to know it. Until 1836 the North that these papers from which the reports came, Carolina constitution prescribed from office all were democratic papers, and now supporting atheists, Catholics, and unbelievers in the diabolitionists and the violent opponents of Pierce, ble with the safety of the State. The test still it is id e to publish them. The reporters admit remains as it was, except that Catholics are rethat Pierce was for the compromise, fugitive lieved, as long as a majority choose to consider slave laward all, and try to make his admissions the Catholic religion not inconsistent with the slave leward all, and try to make his admissions the Catholic rengion not inconsistent with the shout slavery cubserve their purposes and ope- safety of the State. To take command at Vers Cruz,
In raging Mexico;
A most portentous sound
Net his military enr.
And the soldier fancied that be heard
"A fite in the rear."

All wrapped in troubled thought,
And leaning on his brand,
The stalwart welder hesitates
To leave his native land.
'Tis not because he loves quick acup;
Who says he shrinks from fear?
But he faiters, for he cannot stand
"A fire in the rear."

Beside a laden desk,

Though he oft had breaches made In the wails of many a town, None caused the soldler so much care As those breeches of his own To his large imposing front Jackson never could get near, And Marcy had to pepper him With "a fire in the rear."

A CHOICE TOAST .- At the celebration of the "Fifth" at Winchester, Mass., the following

Old Bachelors-Unproductive customers; scissors with but one blade; odd gloves; frac-tional quantities that are never found in the multiplication table; beaux without fidles; irregular substantives, always in the singular number and objective case; unruly scholars who, when ordered to conjugate always de cline; their only recommendation is, that, like gan, blew its bugle long and loud, and repeated every morning. The whig papers all over the South echoed the sound all through the hills

Won'r go Him .- An attempt was made the other day by Theodore Faber, a German whig, to get up a German whig meeting and ratify old Scott. He was set on probably by the Post Of. would go it, and he gave up the ghost. They know their friends better Mr. F. is a wool dealer, but he cannot wool his countrymen on this matter .- Cleveland Plaindealer .

parted one of interest. The rights and respon- | sponsibilities. sibilities of the railroad company, as well as the rights of the people through whose land the road passes, should be understood. The case is yet to be reviewed by the court of appeals: (Reported for the Laulsville Democrat.

Robert Milton, plaintiff, Petition. Lou. and Frank't R. R. Co., deft's. The plaintiff filed his petition in the Oldham his farm, and defendants, in running their road with their engines and cars, so carelessiy, negimproperly conducted the same straved on the track, was killed, to wit, a mare worth \$150 and a cow worth \$12, and other damages done to the plaintiff.

The defendants, in their answer, admitted

their road run through the form of plaintiff, and defendants from the adjoining lands of the laintiff, and actting up plaintiff's release to the elendants of the right of way sixty feet wide through his farm, and alleging that defendants constructed their road when the right of way was released to them, and were in the daily use of their said road, and running it with their en gines, cars, &c, and denying that plaintiff's stock was injured owing to the catelesness, negligence, and improper conduct of defend ants; but alleging aid charging that it was the carelessness, negligence, and improper conduct of the p'aint ff in not enclosing his land from he right of way granted to the defendants, and in suffering his stock to stray and be on the defendants' road, and in the way of sex I, "I have hearn of Gineral Pierce, and if lish that their engines. &c., were run by carrful, prudeut, and skillful egenta, and efficis

from the right of way granted to defendants, and that he postured his stock in his fields and they out his hankercheef and blowed his nose till I were in the habit of straying on the track of de-

lendants' road. The defendants also proved that it was dangerous to the ergines and cars of defendants to run over stock, and that delendants had sus tained greater domage to their engines, cara, &c., than all the stock killed on the road, and employed to avoid running over stock. The defendants asked the court to instruct

the jury, as in instructions Nos. 1 and 2

Ins. No. 1. "The detendants move the court to instruct the july that the plaintiff, in permit ting his stock to go at large in his fields through bad tu gin in, and I swate I never hearn secha which the road of defendants passed, and stock that in my life. Everyholds was talking and which the road of defendants passed, and stack to be on defendants road, in the way of the passage of defendants' cars, was guilty of such each feller thought that they was all listenin' charges against Bartlett, the commissioner, of a want of care on his part as to prevent him tu him, and I'll be darned if you could tell what the boundary commission

om maintaining this action, and they must find they was talkin' bout. I was tryin' tu git for the defendants. somebody tu listen tu me, but seein' there was Ins. No. 2. The instructions of defendants, marked No 2, is, in the words and figures, as at large, and that they strayed upon the track of the railroad, and were there killed accident l'y ants, unless they should believe that they were

gave the aecond. The posintiff moved the court to instruct the jury as in instructions A B and C.

Ins. A. "The plaintiff moved the court to in struct the jury, that although he grante! to de road, through said field or pasture, or deprive himself of the use of said field or pasture, by suffering his horses, cattle, and other stock, t

he and remain in said field or pasture." agents were board in employing and running their locomosiscs, engines, &c., stong and upon said road, to use all proper care and diligence in and engines to prevent ir jury or destruction to the stock, and other property of the owners of land, over and upon which said road passed." Ins. C. "That if the plaintiff's cow and mare were run over, and injured or killed by defendants' locomotive or engine, and the de fendants, by themselves or agents could, by the use of proper and ordinary care in the use and running of said engine or locomotive, have pre locomotive or engine, and said cow and mare rob us of domestic peace, if not plange us into were thereby injured and killed, they, the ju-

ry, should find for the plaintiff."

The court gave the instructions A., and refused the instructions B and C., and in overing plaintiff's instruction A. and overruling his instruction B. and C.

The court said that defendants had no right That desendants only had the right of way, and nothing more. That plaintiff was not bound to enclose the road, or to keep his atock out of hia field, or off the road, but if he permitted his stock to be on the road it was at his own peril,

That defendants were entitled to run the road with their engines and cars at such rate as they deem proper, and were not bound to run power to unite them .- Punch. his stock; but if defendant's agent as we the stock on the road and could avoid injuring the amounted to wilful negligence: and then gave

the instructions. "The court instructs the jury, that if they During the week ending the 10th inst., find from the evidence, that the engineer or the terwards he could have stopped or checked the engine so as to have prevented the injury, and Own recognizance taken in \$200 lor \$ months. he Times office, fell down a stairway last have refused to grant licenses for circus peror did not see them in time to stop or check the engine, so as to prevent the injury, the verdict ahould be for the defendants."
